

**CNS211 8" SUBWOOFER CEILING SPEAKER**

# TECHNICAL DATA SHEET

## **DESCRIPTION:**

We believe that the sound in a venue should be uncompromised, including the often overlooked secondary areas. To this end we are proud to introduce our subwoofer ceiling speaker to you. The speaker is equipped with a 3-shift switch, so that you can choose between 100V, off and 8ohm. It is a subwoofer with a deep but clean sound. Also, it is a low frequency supplement. It can be used with any ceiling speaker and let the entire sound field to be filled with the energy of the bass. So this 8 inch subwoofer ceiling speaker is a perfect choice for the place where additional low frequency response is required.

## **FEATURES:**

- Elegant outlook.
- Easy to install and maintain.
- Made of durable material.
- ABS enclosure.
